

200 would die

inferred - in the main building
- implicating physically handicapped

most of the exits have stairs

Crescent one of best

Has not been able to convince Labor
And Industry sprinkler system
that building is a fire trap.

Burrow -

My aim in life is to close Crasson -

* too patents at co from -
fire trap - old buildings

Mr Burrow the Building went to
the ground.

He has done a fine job -
getting people out of
looking for well burrow -
