DEPT. OF PUBLIC WELFARE

Dear Mrs. Wohlgemuth,

I want to Congradulate you on what you are doing in making a surprise visit to the Mental Hospitals. God Bless you for Caring about the mentally retarded and the mentally ill. I hope you visit all the Mental Hospitals. I know for I have my husband in Mayview, and I am concerned about him when I don't visit him. I wonder do they treat him good. He is now in the Medical Center in the Hospital he had pneumonia. He just had the London flu he was in the Hospital from Jan. 1 to Mar, and now he is back again. So I have been concerned about him I will say prayer in

my church and I will burn  
Candles. Please excuse the  
poor writing and spelling. I  
have been under a great  
strain since my husband  
has been in the hospital.  
God Bless you and God keep  
you in good health.

Yours Truly  
Mrs. Catherine Ostrowski
