SECRETARY'S OFFICE

Mrs Wohlgenuth,

APR 24 1973

I <sup>DEPT. OF</sup> <sup>CLARE</sup> <sup>Rel. to</sup> writing this letter to tell you how much I agree with the dismissal of Dr. McClelland and his methods at P.S.H., I work at Polk but cannot reveal my name as I fear my job.

There is a lot more going on at the institution so far as child abuse and such. It's not uncommon to see boys with beat up faces walking around the grounds, they will not talk about it when questioned. There are many employees on drugs and dress like hippies, was you aware of this?

Also I feel the hiring does not conform with civil service regulations, in the past a person living in Polk Boro has first chance at the jobs and promotions, this is a known fact in Venango County.

One of the things that seems to concern you is the hiring of unqualified personal, an example of this could be Mr. Tracy Miller, who moved back to his home town of Polk for the position of chief security officer, could it be due to the fact that his mother, Joan Miller, and Dr. McClelland are sitting as good friends. It is a laughing matter as he does not know his job and is feeling his way along, many people are bitter as to how he obtained this position. As you can see a lot of things need changed at Polk, I hope you will not withdraw your decision as I feel it is just.
