

Miss Wahlgemuth -

I am protesting your
dismissal of Dr. McCall
and as Supt. of Polk State
School and Hospital.

I have long been
associated with Polk as
the sister of a patient
there for 36 years, as
an ex-employee and
as a personal friend. I
know your superficial
visit to Polk could not
possibly have turned
up anything good about the
school. In fact, you
really weren't looking
for anything good!

A man who has de-
voted his life to the
treatment of our retarded

Children does not deserve
the shabby treatment
you and your P A R C
friends have heaped
upon him.

Sincerely
Mrs. Harry T. Doye
