DEPT. OF PUBLIC WELFARE

Dear Mrs. Waghmuth -

Congratulations on a job well started at Golf State School, but you haven't gone far enough. What you need here is good stiff barn broom to clean out the whole personall down to the basement in the Custodial office which is run like a play house, And I would be only to glad to help. The only who should really go is Rick Blakely who thinks he owns the place.

I am 62 yrs. of age and have been a Democrat on my life and I'm hired as Custodial # at Meadow side at the school, every one has my assistant, but I get none I have 1 man and 4 women working with me all other buildings have at least 3 men. I wish you would come up any day 9 to 4 Pm Mon thru Fri. and I'll tell you all I can

Thanking you.

Very truly yours. M. Philip's Moseri
