Dear Mrs Wohlgermuth,

Please, please reconsider
your decision to replace Dr
McClelland as superintendent
of Polk State School.

Our son, William has been a
patient there over 2 years and
we have never seen or heard of
any harsh or unusual punishment.
These children must have discipline
for their own good as well as others.
Our Bill is home now and he
talks often of Dr McClelland &
how he takes a personal interest
in all the patients.

We think you will find strong
support for Dr McClelland from
everyone who knows him.

Respectfully,
Paul & Velma
