

RECEIVED IN
SECRETARY'S OFFICE

APR 23 1973

DEPT. OF PUBLIC WELFARE

Dear Mrs. Wohlgemuth,

I am a very concerned
employee at Falk State School.

May I ask you how you can
sit in judgement on an entire
institution. We all realize the
reason Mr. McClelland was
dismissed was absurd. How
dumb do you think we are?

So I invite you,
Mrs. Wohlgemuth, to come and
work a day or two at Falk.
Before you can judge you
must know how to judge!

You have upset an
entire institution including
the patients you care so
much for. Ask the patients
and the employees how we
feel.

Also my dear lady,
we have been trained!
We're not a bunch of
stupid idiots. I think it's
time you got an education
on Falk. Come work any
eight hour day! We all
know you won't. You
certainly wouldn't lower
yourself to this type of
work.

Yours truly,
Barbara Shook
