

SECRETARY'S OFFICE

APR 25 1973

DEPT. OF PUBLIC WELFARE

Ref. to _____

7-23-73

Mrs. Helene H. Hymnuth.

Dear Madam:

This is not a threat, it is a fact.

About the dirty way you handled the terrible situation at Oak State School & Hospital.

Now I would suggest you make a try at handling that job yourself that you so easily fired Mr. Mc Cllland from.

and see how long you last at it.

And one thing I want to make clear to you, If there is any change in the way my children is handled or is taken out of the school without my permission you will answer to my lawyer & I.

I would like to know
how you got your job,
maybe by slipping in the
back door like you did
at Palk State School.

Or how much did you
get paid for this sneaky
trick you pulled.

Don't you think we
have enough dope addicts
in public without making
addicts out of our retarded?
After almost nine yrs of my
Children drawing Social Security
from their declared father and
it goes to help pay for their
keep up there, I would suggest
you make a retraction
and retire the man that
knows what he is doing.

A Concerned
Parent.
