Mrs. Wohlgemuth,

I have written Gov. Shapp demanding  
you be placed in another job, namely  
running Palk State School.

I know now you haven't the faintest  
idea what a retarded person is.

Also you seem to have no common  
sense, nor are you able to think or act for  
yourself.

A lot of rubbish has been written lately  
about homes for retarded in our end of the  
state and a lot of <sup>accusations</sup> ~~statements~~ made but  
no effort to substantiate them. People are  
practically ruined and then the whole  
can is ~~dropped~~ dropped quietly.

I believe some of the people of PAIRC  
should be hired to hold the hand (if they  
have one) of some of the negotiable in our  
state hospitals then they could <sup>gain</sup> ~~some~~ <sup>some</sup>  
insight into the reality one must face.

The newspaper call it a ~~scandal~~

visit to Polk, I call it leg another  
name sneaky. or hunting for  
~~good~~ ghosts.

I have visited all places in Polk  
as long as 45 years ago and some places  
in Polk since then. I know they are  
treated as best as can be expected.

The members of P A R C haven't a  
"leg" to stand on, nor a head to use.
