

Confidential April 17th - 1973

Dear Helene Wolgemuth:

It does not sound like Dr. James
M. Ellard I worked with while I was
Employed at Lakeside - it does sound
like the Brain child of George^{and} Irene
HARVEY - (a would be preacher - BUT of
the Devils work) I witnessed their sons
kicking George's RETARDED sister's skins
causing her agony - (by their glorious
witnessing) also witnessed by her father
- my late Legal husband - also an
Employee of Lakeside - back in 1953
I gave George^{and} Irene into God's
hands - as he was black balled by
S.A. - U.B.^{and} in the 4th church
organization - he was ^{black} balled from
ALL pulpits in 1960 fall Convention
George is also a Philanderer as
his father Carl C. HARVEY was before him..
