SECRETARY'S OFFICE FORBESWAY

LIGONIER, PENNSYLVANIA 15658

APR 25 1973

DEPT. OF PUBLIC WELFARE

April 24

Dear Sect. Wohlgemuth,

I have just written
to Governor Shapp to con-
gratulate both him and
you on your recent
actions concerning Polk. You
are to be admired for
taking a perhaps unpopular
but certainly right position
to help all those in the
institution.

I further urged the Govern-
ment continued support to

You in the hopes that
we shall soon see further
results at Polk and other
institutions toward better
programs for the retarded
and better training of
staff workers.

Thank you for your
courage -

Sincerely,
Florence L. Nimick
