RE: Justice Department's Information from ACC-PARC

Enclosed is the table of contents for information sent to both the Pennsylvania and United States Justice Departments. The Pennsylvania Justice Department is investigating conditions at Western. The United States Justice Department is investigating, state-wide, the conditions to extend the scope of the Halderman Right to Treatment Law Suit.

Please review your files to see if we've neglected to include any valuable documentation. Let me know if we should submit additional materials.
