your ^{Rel. is} smirk smile of conceited self

We as parent of Robert in Polk since

As 1000. of Children & parent respect &
love dearly Dr McClelland.

We hope you re appoint Dr McClelland.
& public apologize as much publicity
to his good as you have damaged & hurt
a devoted man to the retarded.

I hate Pickets but I sure will damage
& say every thing I can against you
& Mrs Clapp.

I have been a member of P.A.P.C. since 1954
& you let parents homes drowned
Choke & homes that keep them
locked in closets & do nothing.

(Not enough publicity)

I hope you see the parents

We are getting papers signed & hope
