

To Mrs. Wohlgemuth.

Received in
SECRETARY'S OFFICE

MAY 5 1873

I As a Mother with a
Child at Polk. Am very
Upset with you.

Now I would to know
How much education you
have? How much you
have ever worked
with Mentally Retarded.
Also I would like to

Know which would
be better to cage
people, so ^{they} can be
protected or. protected
against patients, or
if straight jackets or.
~~fitted~~ ^{padded} cells would be
better

While Dr. McKelland
was there my husband
and I felt very secure
in the fact that our
child wouldn't be
injured and then
patient, Now we
wonder.

Also we would
like to know how
the new Administer
will handle this
problem.

This will not help
your voting population

This is all you
Are doing this
for.

Are you a Physician
or have you had
ANY Education in
the care of

Mentally Retarded
or Do you have
ANY Children in
ANY of these conditions
