As of June 30, 1971, there were 3,948 Allegheny County citizens in residence at state mental hospitals. The cost is 22.5 million dollars or a per diem of \$15.60 per day and an annual patient care cost of \$5,697.

Other items to note: (1) There are almost three times as many Allegheny County citizens at Polk than Western State. (2) There are 474 Allegheny County citizens in state schools and hospitals besides Polk and Western. (3) The data does not include the number of mentally retarded individuals who are in residence at the state mental hospitals.
