SECRETARY'S OFFICE

DEPT. OF PUBLIC WELFARE

Ref. to _____

Pittsburgh, Pa,
April 22, 1973

Helene Wohlgemuth,
I am an angry taxpayer
who pays your salary.
Why wasn't the public
consulted about such an
important move as you
made up at Polk State
School and Hospital?
I demand you to reinstate
Mr. James McClelland.
Three hundred changes and
~~two~~ dirty politics are
nothing to play when the
welfare of the retarded
are at stake.
