Dear Mrs Wabgtemuth

I am writing to you as the  
friend of a retarded child.  
I am certainly in support of  
your actions regarding Polk State  
School. Our retarded children  
are deserving of the best care  
available. Please continue with  
the fine work you have been  
doing.

Keep on with the good  
work.

Sincerely

Mrs Mary B. Cook
