Mr. Nick D'Aluisio
Polk Center
Box 94
Polk, Pa. 16342

Dear Nick,

We hear that the state-ordered freeze on position filling is seriously affecting the care of residents at Polk.

If this is true, we would appreciate receiving information that would help make this point with state officials in the executive or legislative branches.

I would appreciate hearing from you as soon as possible.

Sincerely,

Robert Nelkin
Associate Executive Director
